

Dear All,

We hope you all had a fantastic summer break and have been enjoying being back at school. We have had a lovely first week back - we have done some lovely descriptions in English, place value in maths (looking at numbers all the way to 10,000,000!) and started our new IPC unit all about ancient Greece. We have also been swimming, had French and did some art and design. We are looking forward to the rest of this term and getting back into the swing of being back at school. If you have any questions or queries, please don't hesitate to contact us.
