Happy New Year!

Welcome back everyone to our Spring term. Its really lovely to be back in school and to see how much the children have grown over the holiday.

A few messages to pass on in this letter about timings and covid.

Teachers will send home their planning letters on Wednesday 12 January 2021.

Snow and Dangerous Weather

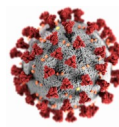

Hopefully we have seen the worst of the weather and winds for this year but if we have weather which makes it too difficult to open school we will text and email families. We would be able to offer online learning and work for children to complete.

If your child needs more jumpers, clothes or a coat for the winter please get in touch with Louise.

Covid and Attendance

If your child is unwell and has a cough, temperature or loss of taste or smell please get a PCR test and send the results in to school.

If a family member has tested positive for covid, get a PCR test, do lateral flow tests each day and send your child to school.

It is important that children attend school each day and should not miss school to self isolate—this is no longer permitted by the government.

Work will be provided for children who have covid and are well enough to complete it.

Greggs Funding

If you think you may experience hardship during the cold weather please let Louise know in confidence and we may be able to help.

Friends of School

Friends of West Newcastle Academy page:

<https://www.facebook.com/groups/2301547423469118/>

Keep in touch with other families and children.

School Start Time—8.45am

Please be in school on time.

Absence

It is really important that you call us by 8.45 to report an absence EVERY DAY that you child is sick. We will call or visit you at home if we cannot speak to a parent.

Get a PCR test if your child has any symptoms and then send them in to school.

Nature Park Families

Please park in the Main School Carpark and walk to the Nature Park. Pipe Track Lane is only to be used by emergency vehicles.

Thank you!
